Subject: ALERT: MEMBER PORTAL – 'Declaration Eligibility Not Met' Message

23 October 2025

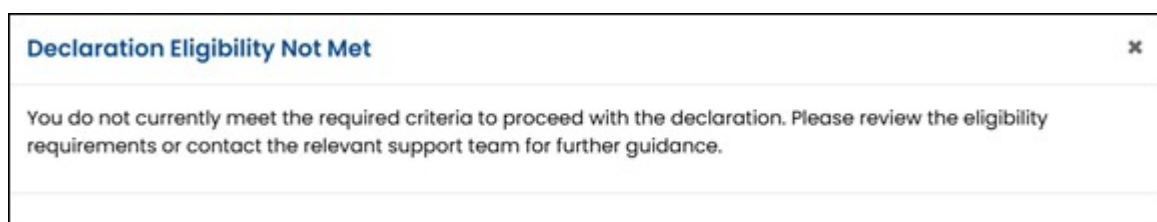

Dear Training Officers and Training Office Administrators,

ALERT

An enhancement was deployed by the Membership Team on the Member Portal in preparation for the 2025 CPD, Business Rescue Practitioner (BRP), and Tax Practitioner (TP) annual declarations.

A pop-up message has been introduced on the portal to indicate a member's eligibility status for submitting their declarations.

Currently, all members who are not SAICA employees are marked as “not eligible”. This is due to ongoing testing in the live environment to ensure the declaration functionality is stable and performs as expected.

STATUS

Once the declaration cycle officially opens, **members who are eligible will receive a communication confirming that the system is open for submissions.** This communication will also include the submission deadline.

Kind regards,
Training Office Team
