Subject: 2025 APC – Release of Admission Letters

20 November 2025

Dear Training Officers and Training Office Administrators,

We are pleased to inform you that the **process of releasing the 2025 APC Admission Letters to eligible candidates has commenced.**

We kindly request your assistance in **sharing this information on your platforms** to ensure broader awareness among candidates.

Please note:

The mailer attaching APC admission letters is currently **in progress**, and **not all candidates will receive their letters simultaneously.**

Some **eligibility matters are being attended to**, and letters may take a few more days to reach candidates.

We kindly ask candidates **not to raise a query with SAICA about their admission letter (before 25 November 2025)** as this will detract from the team's ability to complete this process.

Should you **not receive an admission letter by 25 November 2025**, please reach out to the Exams Department by emailing Support@saica.co.za.

Thank you for your continued support and cooperation.

Kind regards,
Examinations Department
